Reports

1976 SUNDAY SCHOOL REPORT

In looking back over the past six years of Sunday School work, probably, it would be good for us to evaluate just what we have been doing in Sunday work.

As we began to shape the 70's we had many suggestions and ideals to use to help us improve our Sunday Schools. We have had good materials to help us build a Dynamic Sunday School.

During this time we have placed great emphasis on Bible Study and witnessing. We have had suggestions for a bus ministry. We have had great emphasis put on an Outreach program. We have also worked with high attendance Sunday.

All of these programs were for us to use and upgrade our Sunday School. I wonder if each of us, as Christians, are really doing what we can to use these materials effectively? These materials with God's guidance can do much to give us better Sunday Schools.

It is most important that we as Christians use all available means to lead lost people to Christ, and to educate all Christians toward full Christian Maturity.

Let us in our Sunday Schools always remember that what ever we attempt to do should be done to glorify God.

It should be to further His work on earth. It should be done by people who know and love the Lord.

Respectfully submitted,
J. D. Gore

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS - 1976

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hsopital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State Legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52 compared to a total of $390,000 for the preceding fiscal year.

Respectfully submitted,
Hoyt Inman

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED
EASTERN AREA - 1976

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Eastern North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Odum Home at Pembroke has been a vital part to our total ministry for many years. Groundbreaking ceremonies were observed there on September 30, 1976 for the construction of a cottage for children, a recreation building and a residence for the director. We are deeply indebted to a fine host of friends throughout Southeastern North Carolina who have responded to the initial challenge by Mr. John Newton and Mrs. Harold Deal, business men in Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate in Wilderness Group Therapy is meeting with significant success. The Duke Endowment has recognized the value of this special child care ministry to the extent of giving us a $75,000 Grant over a period of three years to insure adequate support for this innovative effort. Other child caring agencies across the nation are studying this program.

Due to the fine spirit of cooperation on the part of the First Baptist Church of Henderson and member churches in the Cullom Baptist Association, an emergency shelter will be opened in Henderson during the month of October. This facility will provide emergency care for children while plans are being made for longer term placement or their referral to other helping agencies.

Foster homes have provided excellent care for many of our children since the beginning of this program in the 1930's. Presently Eastern North Carolina has seventeen foster homes licensed to care for twenty-seven children. This program should continue to grow in the years ahead. Our greatest need in this area is for foster parents who will open their hearts and homes to serve children with special needs.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving Offering are vital to

our existence. We thank you for every expression of your faith and confidence.

Respectfully submitted,
Kenneth Hawes

1976 SUGGESTED ASSOCIATIONAL STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving". Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the Lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year the churches of our association gave $3,320.00 through the Cooperative Program.

Last year, 1126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100 percent of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference or Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, <u>every</u> month.
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, <u>every</u> month.
7. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October

Respectfully submitted,
Rev. Guy FormyDuval

1976 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The Old Testament prophet Hosea declared, "My people are dest4oyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission interprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louis D. Newton of Georgia who has done more than any other person to interpret the value to Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life.

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Respectfully submitted,
Rev. Bruce Christopher

1976 REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitment and enthusiasm as we entered into the Fund-raising effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph Cannon beloved pastor, and Trustee of the Homes, was called by the trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Homes, in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home, in Asheville, will accomodate 50 people and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes and a

Nursing Care Unit-resthaven the Hayes Home, the Nursing Care Unit, in Winston-Salem, the Albemarle Home in Albemarle, the Hamilton Home, in Hamilton, N.C., the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptist make this Christian care and concern possible through two very vital sources- The Cooperative Program and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible. Gifts this year, through these sources are greater than ever before and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to and in support of them.

Close at hand is another venture in the development of the Homes which we're excited, the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Great things are in store for us in our Homes for the Aging as we look to the future and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

WOMAN'S MISSIONARY UNION

"There's a call come ringing O're the restless wave, Send the Light, Send the Light. There are souls to rescue, there are souls to save, Send the Light, Send the Light."

WMU strives to send the light of Jesus Christ through the Dock Association in its mission tasks. The four tasks that WMU carries out for the church are:

1. Teach missions
2. Engage in missions action.
3. Support world mission through praying and giving.
4. Provide and interpret information regarding the work of the church and the denomination.

In performing these four tasks effectively and efficiently, Woman's Missionary Union helps in a significant way with the work of the church. We began the 1975-1976 year with five active WMU Organizations. In the spring of '76 The Zion WMU was organized, making a total of six.

We have observed the Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering, the Week of Prayer for Home Mission and the Annie Armstrong Offering.

We were fortunate to have Miss Ruth Meares teach our study course "Tomorrow starts Today" in preparation for our Week of Prayer for Home Mission.

Poley Bridge Church served as host for our annual spring meeting. Rev. and Mrs. Zack Deal, missionaries to Columbia, South America were our guest speakers. We organized a WMU choir under the direction of Mrs. Helen Smith. This choir seemed to enjoy the practice sessions and everyone enjoyed their performance at our study course and annual meeting. We also, formed a WMU council made up of the director of each organization to plan the WMU work for the association.

Christ gave his followers a message to bear to all the world. The message is of salvation, reconciliation - settling disputes, making friends among enemies, and making mankind one with God. This is the message

sinful, restless, volatile man needs to hear and to see enacted today.

This is the message Baptist Women possess. This is the message Christ commanded his followers to preach and teach in all nations.

EXECUTIVE PROMOTION COMMITTEE
1976

The Executive Promotion Committee of the Dock Missionary Baptist Association met quarterly during this associational year. These meetings were held in the months of December, March, June and September at the Poley Bridge church.

On December 12, 1976 the meeting was opened by prayer by Brother Guy FormyDuval. The committee approved an application for pastorial aid for the amount of $1800.00 for the Jones Street church.

Rev. Nelson King was given an opportunity to express himself about some rumors that were circulating about his preaching false doctrine. He explained himself and answered questions that was asked him concerning these things. One of the things that was mentioned was the question of Rev. Lester English having ever been ordained as a Missionary Baptist Preacher. Rev. English was given an opportunity to speak for himself and presented to the chairman and moderator of the Association papers showing he was ordained at the East Rockingham Baptist Church. Chairman Faulk reported to the committee on the resolution adopted at the State Baptist Convention to allow women to be ordained in the churches of the convention. The committee voted to go on record as opposed to this resolution.

On March 12, 1976 the meeting was opened with prayer by Brother Darcey Hardwick. The chairman Brother Grover Faulk was not present and by

motion Brother Walter Powell was appointed to act as chairman. The moderator appointed Brothers Bruce Christopher, Anson Ludlum, Guy FormyDuval, Melvin Long and Anson Smith as a program committee to assist him in making out a program for the annual meeting in October. The committee voted in favor of this committee. There was a discussion concerning printing equipment and other equipment needed for the use of the association and ways to get money to pay for this equipment. This subject was to be studied and suggestions brought out at next meeting.

On June 11, 1976 the meeting was opened with prayer by Brother Eugene Fowler. The chairman presented statements to the board concerning fees for associational expenses. Suggestions were made that the churches of the association increase their giving to this cause. Mt. Sinai representative asked when someone could meet with them to arrange for the Friday annual meeting. Brother Powell was appointed to be responsible for this.

A constitution committee was appointed for the purpose of updating our constitution, to make suggestion to the association in annual meeting to amend certain articles. Brothers Darcey Hardwick, Brother Douglas Gaskins and Brother Eugene Fowler were appointed on this committee to study and make reports to this committee at the September meeting. Benediction by Brother Mort MormyDuval.

On September 10, 1976 meeting was opened with prayer by Brother Anson Ludlum. Eight churches were present. Chairman Faulk asked for the report from the constitution committee appointed in the June meeting. Brother Hardwick chairman of this committee gave the report. After a general discussion the committee voted to accept the recommendations and to have this committee to bring these amandments to the association in October for their consideration. Also this committee voted to recommend to the association that there be elected annually a constitution committee to study the constitution and make such recommendations to the association as necessary to keep the constitution updated. Brother Powell Moderator of the Association read a letter asking for a donation in the amount of 20 cents per church to help pay for a car for one of our retiring Southern Baptist Convention workers. The committee made up the sum of $5.30 for Brother Powell to send. Benediction by Brother Guy Buck.

Again this year we thank you for your cooperation. We do recommend to some of the churches that you place someone on this committee who attend these meetings and who are interested in the works of the association. If your representative has missed more than one meeting we suggest you replace him.

On August 23, 1976 the examining presbytery met at the Dulah Baptist church for the purpose of examining Brother Robert I. Gaskins for ordination. This service was opened by singing one verse of I Shall Not Be Moved and Prayer by Brother Garland Long.

All the council were present. Members of this examining presbytery are Rev. Crowell Powell, Rev. Grover Faulk, Rev. Anson, Rev. Garland Long and Rev. Guy FormyDuval. Also present for this meeting were Brother Dupree Jacobs, Leby Singletary and Jerry Fowler, deacons from Dulah with their pastor Rev. Burrough Hardee, Jr.

Brother Gaskins was questioned about his conversion experience, his call by God to preach and doctrine especially Baptist doctrine. After a lengthy questioning and discussion, Brother Gaskins was excused while the council made their decision. The council voted by unanimous vote to recommend his ordination at what time his work demands this ordination.

The New Life Baptist Church received a letter from the Oak Dale Baptist Church stating that they had called Brother Haywood Fowler as pastor and requesting New Life to ordain him so that he could serve in that capacity. New Life requested the examining council to examine him for ordination.

On September 28, 1976 the council met with Brother Haywood to examine

him for ordination. All five members of the council were present. He was thoroughly questioned by the council and answered all questions satisfactorily. He then was excused from the meeting for the council to decide if they thought he was qualified to be ordained. A motion was made by Brother Anson Smith and seconded by Brother Garland to recommend him to New Life Church to be ordained. Brother Haywood was then asked to return and was counciled by some members of the board. The council then adjourned.

Respectfully submitted,
Rev. Grover Faulk

HISTORY OF MYRTLE HEAD
MISSIONARY BAPTIST CHURCH

As memory recalls, preaching was held in Myrtle Head School before the church was organized. Rev. Nathan Milliken and Rev. Christenberry Milliken were the preacher's bringing God's messages. The school was located across the road from present day structures.

On October 21, 1922, an organizing council came to Myrtle Head School and with the help of God, organized Myrtle Head Missionary Baptist Church. The organizing council consisted of Brethren, H. G. Fowler (chairman), H. M. Ross (clerk), D. J. Tucker, W. V. Simmons, N. B. Bennett, O. L. Pruitt, H. S. Bennett, M. J. Long and H. L. Long.

After the organization, the church went immediately into conference. Brother E. A. Evans was first church clerk.

Rev. H. G. Fowler was first pastor. Serving as the first deacons were Brethren E. C. Duncan and J. V. Simmons.

On February 10, 1923, Myrtle Head Church was accepted into the Central Union and Dock Association.

There is no record as to when the first church was built across the road. Sister Cindy Milliken gave the land on which the first church was built.

In September 1959, the church decided to start a building fund. This fund was to be set aside until the time came to build a new church. In October 1963, we decided to build a new church building. Brother Boyd Evans gave some additional land at this time. Brethren R. L. Duncan, W. B. Evans and T. C. Simmons were appointed to the building committee. In April 1966, we moved into our new building.

February 7, 1970, we voted to build a Fellowship Building with rest-rooms. Serving on the building committee were Brethren R. L. Duncan, W. B. Evans and Thurman Evans.

As our church continued to grow, in the early part of 1976, we decided to build two additional classrooms. This is the way our present buildings stand today.

God' spokesmen who have served as Pastor's of Myrtle Head Church are listed below. They are listed in the order in which they served our church.

CHURCH HISTORY

Riverside Missionary Baptist Church was organized November 4, 1939. Serving as moderator of the organizing conference was M. L. Mince, assisted by G. Clyde Prince and O. E. Hardee.

The first deacons of the church were Bro. Billy Grice, Bro. O. L. Formyduval and Bro. Willie Jacobs. The first Sunday School Superintendent was O. L. Formyduval. Sister Blanch Jacobs was the first church treasurer. The Church had 20 Charter members.

The first church building and one acre of land was purchased for $30 dollars. The building was an old school house. Since that time the auditorium has been enlarged and two classrooms added. In 1971 the church purchased an additional 4 acres of land adjacent to the first acre. In 1972 bathrooms were built. In 1975 the church held its first Homecoming. Very shortly afterwards the church had carpet installed and also purchased complete new church furniture.

Rev. Oscar Hardwick was the first pastor followed in order by Rev. Vance Simmons, Rev. Anson Smith, Rev. Raymond Cumbee, Rev. Pink McKeithan and our present pastor, Rev. Robert L. Duncan.

as we move forward in the years to come we pray that the same unity, love and concern for the last that has existed in the past will always be present with us. Praying that the worship of the Lord, salvation of souls and Christian education will always have first place in our church.

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1977

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry; healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medi-

cine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable dedicated trustees who are elected by and are responsible to the convention. The tie is also strenghened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,255.56 compared to a total of $405,946.52 for the receding fiscal year.

SUGGESTED ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will <u>you</u> lead every member of the church where you serve to give a tithe more of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Mission". "But you shall receive power when the Holy Spirit has come upon you: and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly called for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In 1 Corinthians 3:9, the apostle Paul says, "...we are labourers together for God". We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $_____ through the

Cooperative Program. Our goal was $_____. Last year our churches gave $_____ for associational missions. Our goal was $_____.

WE RECOMMEND THESE GOALS:

1. Every church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for World Mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment".
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship program.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Rev. Guy FormyDuval

1977 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust", and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N.C. receive

the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING
1977 REPORT TO THE ASSOCIATION

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering.

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October when more than a thousand people from our Western North Carolina Baptist Churches as well as many others throughout the state were present. It was a thrilling moment indeed when the Trustees, Staff, and Residents of the Homes, Pastors and other Church leaders latched on to ropes attached to a huge bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. 66 more people will be served in our Baptist homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a lifeline for those whose needs could not be met without them.

The needs of older persons in our society today are great and overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina

Baptist Homes is as bright as the promises of God, and in the future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs. As we reach out and serve more of these dear ones who desperately need help.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED
REPORT TO THE ASSOCIATION
EASTERN AREA 1977

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and ground. The care of children is missions...reaching out with a helping hand; it is evangelism... sharing the joy of life in Christ; it is love and affection... the giving of hugs and kisses and friendship; it is education... teaching an appreciation for the finer things in life; it is restoration...enabling families to function again.

Campuses at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

Foster Home care, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

Emergency Shelters at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

The special wilderness therapy programs for boys and girls at Kennedy Home are meeting needs of children who cannot be served in conventional type programs. This program needs to be expanded to serve other areas of the state.

Odum Home construction made progress during the past year. The Sara Catherine Deal Recreation Building and the residence for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

Social Work and Family Resource Centers enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

The Child Development Center on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

The Cooperative Program and the Thanksgiving Offering will be extremely important in enabling us to continue these basic and essential ministries to children and their families.

Kenneth Hawes

INFORMATION FOR CHRISTIAN HIGHER EDUCATION REPORT

Annual Associational Meeting 1977

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college During 1977 the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council Office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

EXECUTIVE PROMOTION COMMITTEE
1977

The Executive Promotion Committee of the Dock Missionary Baptist Association met in regular quarterly meetings during the associational year. The average attendance of the Board Members was a fraction under sixty per cent.

In each meeting much thought and discussion has been directed toward donations for printing equipment, lot and building for this equipment. In the March meeting it was decided that each Board member present this decision to home church. Motion was made and voted in favor to ask each church to give one dollar per member. To date ten churches have responded with a total of $611.20. Many more dollars are needed to make this a reality.

The Board discussed the indecent literature on newstands, vice and drugs. We ask the clerk to write a letter to the Representative and Legislature, asking them to enact laws to clean up vice in our State. This letter was mailed December 20, 1976.

January 14, 1977, the Board sponsored a fellowship supper for Pastors-wives, Sunday School Directors-Wives as well as Board members-wives, at New Life Church.

In June 10th meeting a program committee to plan Associational program was named as Rev. Guy Formyduval, Rev. Darcy Hardwick, Bros. Eugene Fowler, Lebra Singletary, Billy Gore, Walter Powell, and Anson Ludlum.

In September 9th meeting Bold Missions was discussed-urged all churches to promote this offering of September 18.

As we close this Associational year and begin anew let's resolve in our hearts that we will support our Association in promoting the love of Christ to every one and then put that resolution in action.

We thank you for your co-operation during this Associational year.

Honorable Allen C. Ward
Representative of Brunswick and Pender Counties
Shallotte, North Carolina 28459

Dear Mr. Ward:

The Executive Board of The Dock Missionary Baptist Association, solicits your support in proposing new or amended N.C. Laws to abolish filthy magazines on news stands, improper entertainment houses (such as, massage parlors, topless clubs, etc.), TV programs, drug distribution or any degrading-unchristian programs.

We are interested in our Youth of today and believe these vices that are available will tend to lead them astray and keep them from being useful citizens of tomorrow.

We further ask that you solicit the support of the other N.C. Legislators of all counties.

A copy of this letter will be sent to the General Secretary of North Carolina Legislature.

Thank you for your support. We will appreciate anything you can do to help correct these temptations.

Sincerely,
EXECUTIVE BOARD

W M U REPORT

The permanent watchword "Laborers together with God", (1 Cor. 3:9) has served Woman's Missionary Union well through the years. It expresses the desire of each member of every WMU organization today. In order to labor and do our best, there has to be a united effort; thereby the Woman's Union has tasks to do together, namely: teach missions, engage in mission action and direct evangelism, support missions, provide and interpret information regarding the work of the church and denomination.

Almost a century ago WMU had its beginning in Southern Baptist Convention. Those women of yesteryear were determined they would support the mission program of the Home and Foreign Mission Board, by giving of their time, money and prayers. The same purpose that moved the women in 1888 to action, still motivates the women of today. Times have changed-methods have changed-needs have changed but changes have come only to improve the way in which people "can go into all the world and preach the gospel to every creature".

About a quarter of a century ago WMU made its way into the Dock Association. Mrs. Bessie Hatley organized and was the first president of the WMU at Poley Bridge in 1954. Happy Home organized in 1957 with Mrs. C.L. Sasser as president. Olyphic organized in 1959 with Mrs. Minnie Gore as president. Jones Street followed in 1973 with Mrs. Fannie Fowler as leader. New Britton organized in 1974 with Mrs. Eddie Cooke as president, then Zion followed in 1976 with Mrs. Lottie Ludlum as leader. In 1977, Palmyra organized with Mrs. Jewel Formyduval leading and Sandy Plain with Mrs. Sandra Willard as Director. During 73 and 74 Gore's Chapel, Honey Hill and Dulah also were organized. We hope that in the very near future the women from each of the churches will catch a gleam from afar and become active again.

Today, we have eight active organizations - Palmyra and Sandy Plain being organized this year.

We observed the "Week of Prayer" for Foreign Missions and Lottie Moon Christmas offering; the "week of prayer" for Home Missions and Annie Armstrong offering and State Missions offering.

The Annual spring meeting was held in April at Zion Missionary Baptist Church with Rev. Archie Jones, Missionary from Ecuador as guest speaker. His message was soul stirring and well received by all.

We are very grateful for the combined efforts of all who participate in this worthy cause. Our goal is to enlist the women of each church in the Dock Association in promoting WMU work in their respective churches.

As we face the new year, our challenge is great, there are many without Christ. We must be strong, stand tall for Jesus, he who gave His life that we may have life eternal.

"God is reliable and will bring deliverance. He is strong and will give strength to the weary. In Isaiah 40:31 we read "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles, they shall run and not be weary, they shall walk and not faint."

Respectfully submitted,
Mrs. Lottie Ludlum

SUNDAY SCHOOL REPORT
Reach-Out 1977

Spreading the Gospel through Bible teaching is one major objective we hope to accomplish in Sunday School. We need to be witnessing to more people and sharing with others the Good news about our Lord and Saviour.

A few years ago someone said that it took twenty-seven Baptists to win one person to Christ. The truth is it took one person to do it, the other twenty-six did not try. It is evident to see that we need a more concentrated effort to reach and teach in 1977-78.

We should put forth extra effort in 1977-78 to enroll as many new people as we can in our Sunday Schools. Then when we enroll then teach them about Jesus. The suggested plan for reaching people is called Action.

Following is a suggested plan for enrolling new members:

1. Enlist a task force
2. Enlist telephones
3. Prepare packets
4. Gather materials and supplies
5. Train task force

With good planning and follow up on our plans we can reach many people in 1977-78.

Remember if you take the number one and double the results twenty-one times the total is 1,136,576. Just think if each of us would tell one other person about Christ, then he would tell someone else, think what the results could be ! ! !

Remember High attendance Sunday October 30, 1977.

Respectfully submitted,
J.D. Gore

History of

SEVEN CREEKS MISSIONARY CHURCH
1802-1976

Seven Creeks Baptist Church was founded in 1802. Some of the oldest members say their grandparents told them it was founded near Lockwood's Folly and later they moved to Columbus County and changed the name from Pleasant Savannah to Seven Creeks.

According to a letter from the Baptist Historical Collection, Wake Forest University, Seven Creeks Baptist Church was organized in 1803 by Jacob Gooman near Pireway, North Carolina and remained there until May 1882.

It was moved about two and one half miles north to a place now called the Johnnie Register place. In 1921 a new building was constructed on the present site. This building was used until 1954 when the present brick building was erected. The fellowship hall was built in 1967.

Associations that Seven Creeks was a member of dates back to 1804, when they were admitted to Neuse Association. In 1805 dismissed from Neuse Association to become in 1806 a charter member of Cape Fear. In 1875 dismissed from Cape Fear to Waccamaw, South Carolina. In 1887 became a charter member of South Atlantic from Waccamaw, South Carolina. In 1888 dismissed from South Atlantic to become a charter member of Columbus until 1898. In

1899 Cape Fear merged with Columbus to form Cape Fear-Columbus. In 1903 dismissed from Cape Fear-Columbus and admitted to Brunswick Association. In 1916 became a charter member of Dock Association.

He also said that in 1920 when the wooden building was being built that a storm came one night and blew the frame down on the ground.

On April 11, 1976 Seven Creeks Baptist Church celebrated its 174th year with a Bicentennial Program with almost 100 per cent of those present wearing early American clothing. Most of the women wore bonnets and long dresses of various styles, while men wore colonial costumes, including wigs or overalls.

A pageant, directed by Mrs. R.L. Cumbee, depicted the signing of the Declaration of Independence, scenes of early American Baptist life and the involvement of women in early American history. Young people recited religious and patriotic poetry from past years and participated with enthusiasm in all facets of the celebration.

An exhibition of early American tools, weapons, and kitchen utensils was on display in the fellowship hall.

Old fashioned styles of foods were prepared and served by the ladies in lovely colonial dresses with bonnets to match.

HISTORY OF GORE'S CHAPEL MISSIONARY BAPTIST CHURCH

Gore's Chapel Baptist Church was organized in 1924. Mr. and Mrs. J.C. Whittington, Mr. and Mrs. J.T. Gore, Mr. and Mrs. T.A. Gore, Mr. and Mrs. J.D. Register, and Mrs. Catherine Register were the founders and charter members of the church. They along with their families built the first church. It was a wooden structure with materials and labor being donated by its members. The church began with a membership of about 35.

The name given to the church at that time was Gethsemane Baptist Church. The first pastor was Rev. A.G. Soles from Sandy Plains. The first deacon was Mr. T.A. Gore. Mr. John Gore served the church as its first secretary-treasure and clerk. The first Sunday school superintendent was Mr. J.C. Whittington.

The members were dissatisfied with the name of the church and asked their pastor, Mr. Soles, to help them change it. They agreed on the present name, Gore's Chapel Baptist Church. The church became a member of the Dock Missionary Baptist Association in 1926.

In 1927, Rev. A.D. Harrelson from Loris, S.C. was the pastor and remained through 1928.

In 1929, Rev. J.H. Moodie from Conway, S.C. was called as pastor. He served one year and was followed by Rev. Edward Duncan from Freeland, N.C. in 1930 and 1931.

Rev. Joe Edge from Conway, S.C. was called in 1932 and served two years. He was followed by Rev. Vance Simmons from Freeland, N.C. who was pastor through 1935.

Rev. O.E. Hardwick from Longs, S.C. accepted the church in 1936 and remained for three years.

The church is fourteen years old now. The membership has grown to 52. Records show that the church is moving along at a normal pace with Rev. Clyde Prince from Tabor City, N.C. coming to the church as pastor in 1939 and remaining through 1942.

In 1943, Rev. Thomas Hughes of Loris, S.C. assumed pastorial duties. He stayed through 1945.

In 1946, Rev. R.W. Strickland from Whiteville, N.C. came to the church and remained through 1948. He was followed by Rev. O.E. Hardwick from Conway, S.C. in 1949. This was his second time to pastor the church.

Rev. L.L. Todd from Whiteville, N.C. came to the church in 1950 and served as pastor through 1953.

In 1954, Rev. J. Earl LeNair from Whiteville, N.C. began his ministry and stayed two years. The membership growing to 62.

In 1956, Rev. Crowell Powell from Nakina, N.C. accepted the church, but remained for only one year. He was followed by Rev. Garland Long from Whiteville, N.C. who remained for two years.

In 1959, Rev. Aubrey Green from Chadbourn, N.C. accepted the church and remained as pastor through 1963.

The church called Rev. Ralph Gore from Whiteville, N.C. as pastor in 1964. During his ministry the church grew and prospered. He remained through 1967. A need was felt for added space. In the fall of 1965, Mr. U.G. Gore, Mr. Leroy Gore, Mr. Shannon Gore and Mr. Fletcher Register were appointed by the church for a building committee.

The first contribution to the building fund was given by Mr. and Mrs. M.M. Jones. Mr. Jones was the principal of Nakina High School. He was also the moderator of the Dock Baptist Association. Mr. and Mrs. Jones donated $50.00 to start off the building fund for the new church. Other donations were made by the members and many loving friends and neighbors.

Two acres of land were given to the church by Mr. and Mrs. Ralph Gore. The members wanted a location that would be suitable for a cemetery, since the location of the old church was unsuitable for this purpose.

The new church was built by the members and their families with Mr. Elbert Faulk of Nakina, N.C. in charge of the construction. Many thanks are due to those men who worked so faithfully on the construction of the new church.

The windows in the new building were donated by individuals honoring a member of their family or donated by the entire family The organ was given to the church by Mr. and Mrs. Boyd Register.

The record plaques, offering plates, and the shrubbery were donated by the Young Adult Sunday School Class. A white Bible and some song books were given by the Young People's Sunday School Class. The Church Convenant was donated by the W.M.U. of the church.

The members wanted an event that would always be remembered to close the last service in the old church. Rev. Gore, along with the members, decided to hold a week of revival. Rev. Earl LeNair brought the messages each night, beginning May 20, through May 26, 1966. The closing night of the revival, Saturday, May 26, was the last service held in the old church. The Rev. R.W. Strickland held the last Sunrise Service in the old church, Easter morning , 1966. The old church was sold to Mr. Thurman Gore of Nakina, N.C. with the proceeds going to the building fund of the new church.

The new building was dedicated to God on Sunday, May 27, 1966. The dedication sermon was preached by Rev. Ralph Gore, Pastor. The dedication prayer was led by Rev. Raymond Cumbee.

As the church grew and prospered with great love manifested toward the brethren and most of all, God. The membership soon reached 80.

Rev. Gore remained as pastor through 1967. The church continued to grow. On August 4, 1968, Rev. R.L. Cumbee of Whiteville, N.C. assumed his pastorial duties. He resigned January 19, 1969.

Rev. Ralph Gore from Whiteville, N.C. accepted the church again on May 7, 1969. He remained until March 22, 1970.

Rev. Russel Hewett of Conway, S.C. was pastor from May 10, 1970 to July 9, 1972.

Rev. Crance Hardee from Tabor City, N.C. was pastor from August 13, 1972 to January 27, 1974.

The church celebrated its Golden Anniversary on September 8, 1974. This was a memorable day for the church. Not only did it mark the 50th Anniversary of the church, but the mortgage on the new building was burned in a special ceremony following lunch.

Rev. Ralph Gore from Whiteville, N.C. was pastor from October 13, 1974 to June 20, 1975. This was his third time as pastor of the church.

In the fall of 1974 the church had air conditioning installed.

On October 10, 1976, Rev. Ben Doyle from Myrtle Beach, S.C. assumed pastorial duties.

In the fall of 1976, the church appointed Mr. Albert Jones, Mr. U.G. Gore, Mr. Ralph Gore, and Mr. Clyde Gore to serve on the building committee to build a Fellowship Building. Once again the men in the church worked faithfully and completed the building. It was dedicated on Easter Sunday, April 10, 1977, following Sunrise services at the church.

In the spring of 1977, the Youth Club Presented us with the lovely church sign out front.

We are looking forward to the years ahead and expecting great things in our Lord's work. We pray for the leadership of the Holy Spirit teaching us to love one another as we labor together for the salvation of souls; realizing our need to worship, being eager to witness, ready to educate, willing to minister and apply Bible truths.

IN MEMORIAM

Ruby McCroskey Greenlaw was a native of Rockingham, North Carolina. She was a graduate of Averett College in Danville, Virginia, George Peabody College in Nashville, Tennessee and the Southern Baptist Theological Seminary in Louisville, Kentucky. She was married to Dr. Alton W. Greenlaw, a Baptist minister, teacher, counselor and social worker. Besides her experience as a pastor's wife, she also served in church staff positions as a denominational worker and as a teacher.

In 1965, she was employed in the Department of Denominational Relations at Baptist Hospital as a secretary-bookkeeper. Over the next 13 years, she assumed larger responsibilities including creative writing, public speaking, and personal counseling. At the time of her death, she was Administrative Assistant in the Department of Church and Community Relations.

In addition to her work at the hospital, she was an active member at the Ardmore Baptist Church, the Lady Lions and the American Business Women's Association. At the time of her death on March 27, she was survived by her husband, two brothers and several neices and nephews. One of the brothers has since died (on June 1).

We fondly remember the many times that Mrs. Greenlaw came to be with us in our associational meetings. We loved her and feel that she loved the people of Dock Association. She always brought a smile and good cheer. After her visit you could always say you were glad she came this way.

In summing up her life we know of no better epitaph than the words of Howard Arnold Walter:

"I would true, for there are those who trust me:
I would be pure, for there are those who care;
I would be strong, for there is much to suffer;
I would be brave, for there is much to dare.
I would be friend of all— the foe, the friendless;
I would be giving, and forget the gift,
I would be humble, for I know my weakness,
I would look up, and love, and laugh and lift."

Reports

REPORT OF THE AMERICAN BIBLE SOCIETY TO THE SOUTHERN BAPTIST ASSOCIATIONS

1977 was the year in which more people were reached with God's Word than ever before in Bible Society history.

Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort to "Let the Word Speak" to all people, the ABS, and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries!

In 1946 the American Bible Society published its first Scripture Selection, the *Sermon on the Mount.* Scripture Selections have since become the "seeds" of the Society. Because of their relatively low cost they could be shared more widely than New Testaments or Bibles. Once planted in the heart of the reader, the seed could then grow through Portions, the New Testament, and eventually, the complete Bible.

DISTRIBUTION IN LATIN AMERICA

Although the distribution of complete Bible grew by more than 10 percent throughout the Americas in 1977, significantly greater increases were achieved in New Testament distribution. The Christians of Bolivia, together with the Bible Society, helped to share 108,083 New Testaments with the people of that country in comparison with 40,845 the previous year. Mexico reached a distribution of more than 220,000 New Testaments as compared with 90,000 in 1976. The distribution of New Testaments throughout all of Latin America increased 56.8 percent. For the first time in many years the Cuban government granted the churches of Cuba permission to import 2,500 Bibles and 2,500 New Testaments. These were immediately supplied as a gift from the United Bible Societies.

DISTRIBUTION IN AFRICA

In Ethiopia the distribution of complete Bible jumped from 28,369 in 1976 to 71,397 in 1977. In Sierra Leone, Bible distribution was up 180 percent. And in Uganda a 156 percent increase was achieved in the circulation of complete Bible.

The increase in distribution of New Testaments was also up in many of the countries in Africa. Ethiopia again led the list with 104 percent increase. Malawi almost doubled its distribution from 10,384 New Testaments to 20,008. Liberia increased from a distribution of 2,610 Bible in 1976 to 15,330 in 1977. Total distribution throughout all of Africa increased approximately 37 percent.

DISTRIBUTION IN ASIA

In the Muslim countries of Iran, Iraq, and Jordan, where Christian witness is so difficult, more than 19,000 Bibles were distributed in 1977 as compared to less than 3,000 the previous year. Parts of southeast Asia experienced similar success, with the distribution of complete Bibles in Micronesia up 403 percent; in Singapore up 138 percent and in Papua New Guinea nearly double. In India, where the Bible Society had launched massive Scripture distribution campaigns in 1977, 30 percent more Bibles were distributed than in the previous year, and total Scripture distribution rose almost 50 percent. Distribution throughout all of Asia increased from 120,333,729 Scriptures in 1976 to 170,876,269 in 1977.

DISTRIBUTION IN EUROPE

Although overall Scripture distribution throughout Europe was down slightly in 1977, Yugoslavia achieved an increase in the distribution of complete Bibles from 6,251 in 1976 to 23,136 in 1977, and the number of New Testaments distributed rose from 1,067 to 10,599. Another significant increase occurred in Italy where the introduction of the interconfessional common language Italian New Testament resulted in a distribution increase from 10,911 copies in 1976 to 140,090 in 1977. Spain showed an overall increase of 86 percent in total Scripture distribution throughout 1977.

DISTRIBUTION IN THE USA

Distribution of complete Bibles in the United States followed the pattern set by the rest of the world, increasing in one year from 1,142,842 in 1976 to 2,601,198 in 1977. Much of this success was due to the appearance in December 1976 of the *Good News Bible,* which in less than one year reached a world-wide circulation of five million copies. Total Scripture distribution (114,283,716) throughout the United States was down slightly from 1976.

GOOD NEWS FOR NEW READERS

Distribution opportunities for complete Bibles and New Testaments are limited in many areas of the world because the level of literacy is

so low. The Bible Society's answer to this problem is the GOOD NEWS FOR NEW READERS program, where those just beginning to read can discover God's Word through a graded series of Scripture Selections in a language and format they can easily read and understand.

By the end of 1977 New Reader translations of the Scriptures had been undertaken in 328 languages, an increase of 42 languages over 1976. Sixteen of these languages now have New Reader Scriptures available in four of the graded series (A, B, C, and D), an increase of 11 languages during 1977. Series A was published in 46 additional languages, Series B in 29, and Series C in 26.

During the year three new countries—Greece, Liberia, and Senegal—were added to the list of nations in which New Reader programs have been started.

By the time the new reader has completed a full series in his language, it is anticipated that he will be at a reading level which will make reading a common language New Testament possible.

TRANSLATIONS

An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never before had the Word of God in their own language, received a Portion of Scripture for the first time. By the end of the year, at least one book of the Bible had been published in a total of 1,631 languages, an increase of 28 during the year.

Some of the languages in which complete New Testaments appeared for the first time include Bawm, Kok Borok, Lumasaaba, Ma'di, Muyuw, Penan, Quechua: Imbabura, Yagaria, and Yipunu. For the people of Ecuador who speak Quechua: Imbabura, this is the first publication of any part of Scripture in their own language.

ABS VOLUNTEERS

Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 ABS volunteers who carried our local distribution programs in hospitals, schools, jails, missions, and places of business; presented the need of the Bible cause to churches; gave radio interviews; and recruited members for the Bible-a-Month Club. These volunteers were operating almost 2,000 Scripture Courtesy Centers across the country by the end of 1977, an increase of nearly 500 over 1976. Also included in this army of volunteers were more than 12,000 Church Representatives who act as special links between the congregations and the ABS. Nearly 15 per-

cent of these people represent the ABS in Southern Baptist churches across the United States.

FINANCIAL SUPPORT

Total income of the ABS from all sources in 1977 was $29,871,640. Income from the churches totaled $1,545,634. The churches of the Southern Baptist Convention contributed $251,908 or approximately $.022 per member. This was a decrease of $23,723 from 1976. Since 1966 contributions from the churches and agencies of the Southern Baptist Convention have been as follows:

1966	$233,879	1970	$233,186	1974	$254,803
1967	218,509	1971	240,250	1975	238,554
1968	222,938	1972	233,752	1976	275,631
1969	232,765	1973	253,857	1977	251,908

In April 1977 a National Advisory Council was held in New York. Carolyn Weatherford and Porter Routh represented the SBC. One of the resolutions adopted by the Advisory Council supported the United Bible Societies goal of at least doubling income from local contributions by 1980. If the 12,733,124 members of the SBC were to raise their level of annual support to $.04 per member, total giving to the Bible cause would reach $509,000 and help reach the UBS goal. This would help make certain that the Bible Society will be able to provide the Scriptures needed by the Southern Baptist Convention in its global ministry.

The Bible Society asks for your continued prayers so that together with the churches of the Southern Baptist Convention and all willing Christians everywhere, our combined efforts to bring His Word to all those who are in desperate need of it will be blessed by God.

Respectfully submitted,
Arthur C. Borden
Secretary, Church Relations

CHRISTIAN HIGHER EDUCATION REPORT

Annual Associational Meetings, 1978

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges

were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The Telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

1978 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has been on the scene for 145 years serving North Carolina Baptist.

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the RECORDER pay? Recently the RECORDER published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty-nine of the 50 had a good RECORDER club, many of them sending the RECORDER to every resident family, The BIBLICAL RECORDER had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the RECORDER through the church budget at a cost of only 6¢ a week. Everyone benefits when the RECORDER goes into every home.

The price of the RECORDER remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the RECORDER in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. This is only one reason for every church to have a good RECORDER club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. REPORT TO THE ASSOCIATION, EASTERN AREA, 1978

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help.

North Carolina Baptist and other friends continue to support this ministry through personal involvement, prayer and financial. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptist have reason to be pleased with work that is currently in progress throughout North Carolina. In the eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McNeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention counseling and family education. These fill a great need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster homes parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Mission Thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

REPORT OF THE NORTH CAROLINA CHRISTIAN ACTION LEAGUE TO THE DOCK BAPTIST ASSOCIATION

The N. C. Christian Action League has had a very active year. Following a vote which defeated the Liquor-By-The-Drink Bill on Wednesday, June 7th (61-56), in the House of Representatives, one Representative, Mr. Jack Pugh of Asheboro, who had voted against the Bill ask for a chance to reconsider on the following day. Then under heavy pressure from the lobbyists other Representatives were not present for the vote and the bill carried (57-56). This was sent back to the Senate where they approved the amendments and local option on Liquor-By-The-Drink became lawful. We feel that this is very deplorable because the people of our State spoke loudly and plainly on this matter at the polls in 1973. We do not believe that they have changed their minds.

Now the attention shifted from the Halls of the General Assembly to the local areas across the State. There are 43 counties and almost 100 cities and towns with A. B. C. systems. This means that we could be facing this many "Brush Fires" election in the near future.

The Executive Committee of the N. C. Christian Action League met June 27th, in Greensboro to map strategies for the inevitable battles ahead. Recommendation by the GOOD GOVERNMENT COMMITTEE were approved.

1 — That we authorize loans which are to be used for seed-money to assist local organizations to make immediate commitments and to action helping to raise the funds that are needed for local campaigns.

2 — That we make our Associate Director, Rev. Coy Privette, be made available to any local campaign at the expense of the League.

3 — That Editor Marse Grant be asked to write each subscriber of the *Biblical Recorder* requesting a contribution to fight L. B. D. and that every local church be asked to put the C.A.L. in their annual budget or to receive a special offering this year.

We would express our sincere appreciation to the Baptist of North Carolina for their moral and financial support of the North Carolina Christian Action League in the past. We are depending upon you who have strong convictions against the increased distribution of alcoholic beverages in N. C. and against obscenity and pornography to continue to support the League this year by planning this in your annual budget or receive a special offering for these purposes.

NEW ASSOCIATE DIRECTOR ELECTED. Rev. Coy L. Privette of Kannapolist, N. C. has been elected and is currently on a part time salary basis. This is expected to add much leadership strength

to the League and he is expected to become our Executive Director upon the retirement of Dr. D. P. McFarland.

OBSCENITY AND PORNOGRAPHY. Strong action is currently under way in the battle against obscenity and pornography in our State. A federal judge in Raleigh ruled, "that a statute passed in 1977 by the North Carolina General Assembly which would define and curb pornographic materials in N. C. violates the first amendment of the Constitution of the United States." Senator I. Beverly Lake will argue this for the North Carolina Attorney General before the Fourth Circuit Court in Richmond, Virginia, this fall. Let us pray for his success.

BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS, 1978

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the

estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

ASSOCIATIONAL BROTHERHOOD REPORT

The Brotherhood begin in 1907 as the Laymen's Missionary movement with the purpose of bringing men FACE TO FACE with their Religious Obligations, to enlist them in the affairs of Christ's Kingdom, and to stimulate them to a greater consecration to God in world wide EVANGELISM, "It urge men to Pray daily, Study Dilligently, Plan wisely, Serve Zealously, and give generously, That the Kingdom of Christ might prosper".

The association year 1977-1978 is now history. Pages written cannot be recalled; Things recorded are in the past. If we failed to accomplish our aim, that is our mistake.

Brotherhood work in our Association has not progressed as we anticipated, perhaps your President faltered in things that should have been undertaken. Let's not be discouraged even in the face of adverse circumstance, and take courage from these words of Paul:— "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before. I press toward the mark for the prize of the high calling of God in Christ Jesus". Philippians 3:13-14.

W.M.U. REPORT

"But you will be filled with power when the Holy Spirit comes on you, and you will be witnesses for me in Jerusalem, in all Judea

and Samaria, and to the ends of the earth". (Acts 1:8) These words speak out to us today as we, the Church, reach out in Bold Missions, we must prepare ourselves for this great opportunity. Each of us must accept our individual responsibilities. A challenge to be bold and be involved presents the task of WMU, by teaching Missions, supporting Missions, engaging in Mission action and direct evangelism, providing and interpreting information regarding the work of the Church and Denomination.

Suppose by the year 2000 AD every person in the world has heard the message of salvation in Christ Jesus. This can happen—but it will take many, many more missionaries, more money and above all sincere Prayer for guidance of the Holy Spirit. This is a great challenge— to be more dedicated to missions and put forth great effort to accomplish much in telling the world about Jesus.

WMU work in our association is progressing in a great way. Since October of last year two more societies have been organized. Dulah and Honey Hill making a total of ten.

We observed "the week of prayer" for foreign missions and Lottie Moon Christmas offering. Rev. and Mrs. Millard Crumpler taught the graded series for Foreign Missions "Rivers of Ink". Graded series of Home Missions was taught by Rev. Robert L. Gaskins, Annie Armstrong offering, and a State Mission offering was taken.

The annual spring meeting was held April 5th at Zion Baptist Church. Bold missions was the theme of the meeting, with Rev. Vance Tyson as guest speaker.

As we come to the close of this associational year, our prayers go out to the many workers on the fields. God needs worthy, dedicated Christians tt carry on His work. Lee's join this worthy cause with enthusiasm and get totally involved in our communities, our Counties and areas every where. There is room for all.

We thank every WMU, and each member of the society for their untiring efforts, their wonderful participation and above all their prayers and concern for a lost world.

Let us pause and think deep and recall the many wonderful blessings we have received. Let's look up and thank God for these blessings and pass on to others what these have meant to us.

May each of us realize our own "Jerusalem" and ask God to remove any barrier that may be hindering us from doing our best.

As our thoughts and debts stroll into our "Judea", may we exercise the best that is within us for the Glory of God, always remembering those that spent much time in carrying on our Lord's work depending on our prayers and support. We can not visit all of our "Samaria"

in physical form, yet through meditation, constant growing and total involvement we can be a part in supporting Bold Mission Thrust. Now our mission praying takes us to the end of the earth. With hands clasp together, all minds on one accord led by the Holy Spirit, we witness miraculous results.

EXECUTIVE PROMOTION COMMITTEE REPORT

Since our Associational meeting last October, the Executive-Promotion Committee of the Dock Missionary Baptist Association met in regular quarterly meetings, average attendance of board members was approximately 60% (sixty percent.)

In December meeting, the board voted to place the equipment fund money ($891.20) that was in the associational account into a savings account. Since then other donations have been added and as of September 30th, including third quarter interest, the total now stands at $2,034.57.

May I urge you to take a close look at this much needed project and do all that you can in your respective Church to help secure enough funds, so that this undertaking may become a reality. Only when each and every member of the Dock Association put forth great effort will we be able to have a central office. In March a letter was mailed to each Board member to read in their Church, saying "if building and equipment for Dock Association becomes a reality, each and every church must give their share. One dollar per member was considered a fair share, leaving actual time of paying to the individual church, monthly, semi-annually or annually, but to be paid within associational year.

Throughout this Associational year. Rev. Grover Faulk and Rev. Guy Formyduval moved their membership out of Dock Association, leaving two vacancies on the Ordaining Council. In June meeting, Rev. Robert L. Gaskins was voted to replace Rev. Grover Faulk. In September meeting, Rev. Floyd Parker was voted to replace Rev. Guy Formyduval.

Happy Home Church named Bro. Hubert Gore to take Rev. Guy Formyduval place on the Executive Board.

Let's begin the new year with zeal and determination to demonstrate the love of Christ to our fellowman by presenting our bodies as a living sacrifice.

SUNDAY SCHOOL REPORT

Looking back on the records for the past ten years, we find our Church membership greater than our Sunday School enrollment, this should not be the case. The 1977 records show that there was 2,074 enrolled in Sunday School and 2,498 Church members. We are all aware of the truth that all that are enrolled in Sunday School are not Church members. Where are the Church members? The 1978 records are not complete at this time.

We as professed Christians should, and could give a little more of ourselves, our time and money, and to take on a visitation program in every Church Community in our Association. Wouldn't it be worth all of our efforts just to win one unsaved Soul to Christ?

We all should use all mains and materials available to take our Lord and Saviour Jesus Christ to every unreached individual in our Church Community.

If we would take upon ourselves the responsibility of a extended visitation program, carrying the Lord Jesus Christ to the multitude of unreached, and unrolled in Sunday School, can we visualize what the results would be?

May we all take a close look at our own Church Community and do all we can to reach the unreached.

Honoree Dudney

HISTORY OF
DULAH MISSIONARY BAPTIST CHURCH

In 1928 a small group of Christians was meeting in the old Oakland School building for the purpose of holding worship services. They saw the need for a new church in the community, as the closest church of the Missionary Baptist faith was approximately eight miles away.

As Christians have often done in the past, so did these Christians. They got together, prayer, planned, and worked. Subsequently, Dulah Missionary Baptist Church was organized, built, and dedicated on August 26, 1928. This year Dulah Missionary Baptist Church is celebrating its Golden Anniversary. The new church was located on its present site. The land was donated by L. P. Suggs. There was discussion as to what the new church would be called. The name Jenerette's Chapel was considered, but Dulah Missionary Baptist Church is the name decided upon.

The new church started out with approximately fifteen members and a lantern for property. They called Rev. J. F. Connor, whose son is still a member of Dulah today, as their first pastor. He served the church for four years. The first Sunday School Superintendent was J. A. Stocks and the assistant superintendent was J. D. Long. The first church clerk was B. C. Jenerette. Dulah Missionary Baptist Church joined the Buck Creek Union and at its first conference the report was "All is well and at peace in the church."

In 1929 the church saw the need to be associated with other churches. This led them to join the Dock Association in October, 1929. In 1930 they asked to be dismissed from the Buck Creek Union in order to join the Central Union to which the church still belongs.

In 1932 Rev. Connor resigned and Rev. D. C. Barns came to Dulah. He only came to preach twice and the church called Rev. O. E. Hardick as pastor. He served the church faithfully until 1949..

In 1933 Dulah Missionary Baptist Church saw the need for a deacon. After much prayer it was decided that J. A. Stocks would serve the new church as its first deacon. In 1939 D. J. Jacobs and J. D. Long were ordained and added to the deacon board. The church grew and prospered and the Lord's will was foremost in the hearts of the membership.

In October, 1951 it was decided that a new church building was needed for Dulah. A building committee consisting of D. J. Jacobs, R. G. Stocks, and Elbert Suggs was appointed. An offering was taken and $947 was collected for a new building. Plans were underway. In 1960 it was decided that new Sunday School rooms were

needed. These were dedicated to the Lord in September, 1963. In 1970 a fellowship hall was added and in 1972 central heat and air conditioning were installed. In the spring of 1974 a steeple was erected. It was dedicated in June, 1974. Today the need is seen for more space, as the membership has grown. Plans for a new church are being considered, but at the moment this is only in the planning stages.

Through the years the Lord has led Dulah Missionary Baptist Church. It has grown and it has prospered. Today its membership is 150 and its Sunday School enrollment is 150. Mrs. Allie Jacobs, who became a member when the church was organized, is still an active member. Rev. Burroughs Hardee, Jr., serves the church as pastor. The board of deacons include Leba Singletary, chairman, O. V. Stocks, Dupree Jacobs, J. K. Suggs, and Jerry Fowler. Jimmy D. Long serves the church as clerk and Robert C. (Buster) McLamb is treasurer. Pastors through the years include:

J. F. Connor	1928 - 1932
D. C. Barns	1932 - 1932
O. E. Hardwick	1932 - 1949
W. T. Johnson	1950 - 1955
H. C. Powell	1955 - 1961
W. T. Johnson	1961 - 1963
Carl Anderson	1964 - 1967
Pink McKeithan	1967 - 1971
Russell Hewette	1971 - 1972
Nelson King	1973 - 1975
Burroughs Hardee, Jr.	1976 -

We pray that in the future the Lord will continue to bless Dulah Missionary Baptist Church. We pray that it will continue to grow and prosper. We pray that the membership will be a shining light to the world and that each member can be an effective witness for the Lord.

HISTORY
POLEY BRIDGE MISSIONARY BAPTIST CHURCH

Poley Bridge Baptist Church was founded in 1885. Although some old documents list 1887 as the founding date. 1885 seems to be the most often used date.

A group of approximately twenty Christians, concerned about their Christian nurture, met and started services in an old school house located on what was then the Whiteville/Reaves Ferry road, about one-half mile from the present location.

Later on, what is now the Evans property, was donated to the Church by Mr. Doogle Ward. The Church moved there and remained at that location until 1948.

In 1947 members concerned with the condition of the old church and the lack of room for growth began to make plans for a new building. Through harvest day sales and donations money was raised to start the building program. The present land site was donated by Mrs. Katy Stanley; the Church purchased the triangle of land in front of the Church from Mr. Howard Ward.

The new church was occupied in 1948. The fellowship hall was added in 1971.

Poley Bridge has held membership in the Cape Fear/Columbus Association, Brunswick Association, and in 1916 became a charter member of the Dock Association.

Pastors of Poley Bridge have been:

1917 - 1921 — J. R. Carter, Loris, SC - Hammond, SC
1922 - 1924 — S. A. Hatley, Tabor City, NC
1925 - 1926 — C. Millican, Nakina, NC
1927 - 1938 — J. R. Carter, Hammond, SC
1939 - — W. C. Wescott, Whiteville, NC
1940 - 1942 — A. R. Soles, Tabor City, NC
1943 - 1945 — J. R. Carter, Conway, SC
1946 - 1951 — Eric Gaskins, Tabor City, NC

1966 - 1975 — R. L. Cumbee, Whiteville, NC
1976 - 1977 — Vacant
1977 - Present — Robert Gaskins, Tabor City, NC

No record is available of pastors to 1917; but, thanks to the memory of Brother George Ward, the following are listed as Pastors or Lay Pastors:

Ephriam Swain	Prosper Milliken
Joshua Harrellson	William Ray
G. W. Sellers	G. W. Stanley

Those who have served as deacons are: Tom Ward, Joe Ward, Charlie Ward, Cajer McLamb, Charlie McLamb, Boss Coleman, Marshall Ray, M. M. Jones, George Ward, Percy McKeithan, Darcy Hardwick, Carl Reaves, and Leo Reeves.

On the third Sunday of February in 1954, the W. M. S. was organized by Mrs. S. A. Hatley with Mrs. Jewel N. Ward as the first President. This was the first W. M. S. in the Dock Association. The

W. M. S. has been extremely active and has contributed greatly to the Christian Growth of the Church.

On July 4, 1976, the Church celebrated our country's 200th Anniversary with a Bi-centennial Program with members wearing early American Clothing. A pageant, directed by Mrs. R. L. Cumbee, was presented depicting the signing of the Declaration of Independence, scenes of early American Baptist Life, and involvement of women in early American History. All Sunday School classes were involved in the presentation. At the conclusion of the program, flowers were presented to the senior citizens.

An antique section was displayed in the fellowship hall under the direction of Mrs. Dottie Bell Ward.

A fellowship meal concluded the anniversary celebration.

In October, 1976, a Youth Group ministry was formed with approximately 50 young people and adults at the first meeting. Mr. Elwood Hardwick was elected as first President. Although some of the young people have departed, the ministry is still active and contributes to the overall Church ministry. In 1977 the Youth Group, through donations of Church members, purchased a bus and has used it in Religious Retreat trips and support of the Vacation Bible School.

In 1977 a organ was purchased adding to the music ministry.

REPORTS

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this area.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

REPORT OF THE CHRISTIAN ACTION LEAGUE

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the antipornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court, Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original L-B-D bill. Since this bill has passed the State Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this victory.

On May 1 of this year, Bro. Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the League.

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATION
1979

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, longterm casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automatic analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received diagnosis of cancer, when a child is terminally ill, and when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the pastoral care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital cost as low as possible. Our hospital and several of its employees have been recognized and received awards for cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year—despite continuing inflation—is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building "Old Main" has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Mission Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,526. as compared to $388,122 in the preceeding fiscal year.

Respectfully submitted
Alan Gore

SUNDAY SCHOOL ANNUAL REPORT

TO: Dock Baptist Association
FROM: Associational Sunday School Director

During the past year I have managed to visit all the churches in the association except one. I must apologize to Mt. Sinai for not visiting with them.

In the churches I was invited to speak in, I attempted to follow through on Brother Dudney's report last year in which he emphasized the absence of church members in Sunday School.

Suggestions were made at each church on methods that could be used in "Witnessing to Church Members". I urge each church to follow through on these suggestions, or adopt your own, and encourage those absent members to once again become an active part of the church family.

May God bless you in your future endeavors and your goals for church growth in the future be reached.

Respectfully submitted
Jim Williams, Director

SOUTHEASTERN AREA BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED 1979 REPORT TO THE ASSOCIATION

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Baptist Children's Homes. A family services center has been created to serve the ten county area surrounding Pembroke with administrative offices at Odum Home. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services or placement of children for longer terms of care. Staff members from this office also are able to work with area pastors and denominational leaders to plan programs in family education and to offer assistance in day care and early education in churches and other family oriented interests.

Every effort is being made to be a part of and cooperate with the Bold Mission program of advance fostered by the Baptist State Convention in cooperation with the local church.

An in-depth, comprehensive self-study of every segment of the Baptist Children's Home is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

Mrs. Jewel Formy-Duval

COOPERATIVE PROGRAM

Cooperation is how Baptists work together to support missions. It is a biblical principle, as is our responsibility to witness to the world.

Boldness in missions support through the Cooperative Program is a part of and a motivation for bold giving. It is my hope that every church will take a bold step by increasing their budgeted support for world missions through the Cooperative Program this year.

October is Cooperative Program month. It is a time to give serious and prayerful attention to missions support.

Following is a letter from George B. Cowsert, resident missionary in Brazil, concerning the importance of giving to missions.

Thank you for the opportunity to again work with the Baptist State Convention of North Carolina and the Stewardship Division.

Thank you Directors of Missions for the contacts with and through you with many of your churches.

Thank you churches and pastors that had me speaking to you during these past seven months.

Thank you all who through your tithes, through the Cooperative Program and World Missions offerings, support a great work in presenting Christ as the only personal savior to those who speak not only English, but also the many languages of the world.

Thank you for your prayers and concern for missions. As I return to Brazil, I return with an even greater appreciation for North Carolina Baptists. You are fine people. God is using you. We work on the mission field pleased that we are backed by North Carolina Baptists and other Baptists in the United States. We foreign missionaries know we will not be abandoned without support overseas.

W M U REPORT

Bold Missions has been the theme in our WMU program this year, from the local church to the ends of the earth.

WMU work in our association during the past associational year has involved many activities and programs. Through the support and cooperation of the various churches we were blessed with a most successful year. For this, we give thanks to God and to those individuals who gave of their time and talent toward our mission effort.

Our WMU annual meeting was held April 4, 1979 at New Britton Baptist Church. The theme of the meeting was "Let the Church reach out-Bold Missions". This meeting proved to be one of the highlights of the year's activities, as our speakers were Mr. & Mrs. William Mitchiner of Raleigh, who are self-supported missionaries. Our members were inspired by the commitment and dedication to our Baptist Missions by Mr. & Mrs. Mitchiner. A special feature of this meeting, also, was music by the Happy Home Church Choir.

The graded series for Foreign Missions entitled "The Brazilian Obsession" and Home Missions entitled, "The California Journey" were taught by Rev. Robert L. Gaskins. These sessions were held at the New Britton Baptist Church and Poley Bridge Baptist Church, respectively. Following this series of studies each church observed the "Week of Prayer", and participated in the Lottie Moon Christmas offering and Annie Armstrong Easter offering. We are pleased to report these offerings were substantially increased.

We have in our association 126 members of Baptist Women and 24 Acteen and G.A.'s. Our Lottie Moon Christmas offering this year totaled $2,774.00. Annie Armstrong Easter offering totaled $1,620.22.

Baptist women of Palmyra Baptist Church promoted a mission Bible School. Baptist Women of New Britton Baptist Church observed World Day of Hunger with an offering.

The associational meeting for Girls in Action and Acteens was held September 25, 1979. The Girls in Action and Acteen directors planned an excellent program with Rev. Eugene Evans sharing his experience in the Holy Lands with the children. Also a film entitled "The Man Who Sang in the Dungeon", was shown. One new organization was organized at New Britton this year.

In September three council members received leadership training through their attendance at the WMU state workshop at Mundo Vista. Following this was our associational training session for WMU directors and Baptist Women presidents. This meeting was well attended having representatives from ten churches.

As we look forward to the new year, we solicit your continued support. If the WMU Associational Council can be of any assistance to your church please contact us. It is our desire that the Dock Baptist Association continue to progress in christian missions.

Respectfully submitted,
Mrs. Olive King

EXECUTIVE PROMOTION COMMITTEE REPORT

The Executive Promotion Committee of the Dock Missionary Baptist Association on their regular meetings plus two call meetings with average attendance of 66 2/3%. Board members were asked to report to their respective churches what was said or done in these meetings. By request of board members, the clerk mailed a letter in January to each of them stating that equipment donations were due whenever the church wanted to send them within the calendar year; also amount each had paid.

In March meeting a committee was appointed to secure site for the Associational Building. Those appointed were: Jim Williams, Anson Ludlum, and P. O. Gore.

In June meeting, Rev. Robert Gaskins reported that he might know where a plot might be. Lack of funds in Associational treasury was reported , to board, by Brother Walter Powell. Brother P. O. Gore gave a personal donation and each member was to go back and ask their church to send a donation to help build up the treasury.

First call meeting was June 29th, for the purpose of discussing the property given to the Dock Association by Mr. & Mrs. John Ball on which to build the associational building.

On August 17th, another meeting was called. Site for building was presented to members for approval — 100% vote in favor. The site committee named in March plus Hubert Gore, C. W. Formyduval, Walter Powell and Rev. Robert Gaskins was named the building committee. Several men met on August 24th and began to clear the plot.

In the regular meeting of September 7th, Brother Darcy Hardwick was voted in to replace Brother Jim Williams on building committee. He is also new Executive Board Member from Poley Bridge Baptist Church. Anson Ludlum was elected chairman of building committee. Brother C. W. Formyduval had surveyed the plot and made a map of one acre for the Association. Brothers Walter Powell, Anson Ludlum, and P. O. Gore were appointed trustees.

We are most grateful to Mr. and Mrs. John Ball for donating this land. It is a gracious act on their part — one that will be enjoyed for many years as the Dock Association grows. May we accept this gift with hearts full of love toward them.

We appreciate the cooperation given to us throughout this year. It is our prayer that each church will continue to respond in a wonderful way.

We have taken a great step — we have made a great move — Let us continue to progress by giving of our dreams, time, love, and prayers that long before this new year ends, our Associational Building will be a reality.

Respectfully submitted,
Anson Ludlum, Chairman

MAGNOLIA MISSIONARY BAPTIST CHURCH
1912—1979

Magnolia Missionary Baptist Church was founded in late 1912. At this time a group of residents from the Crusoe community decided that there was a need for a resident church. They did not want to travel the five or six miles to Old Dock in order to attend church. The conference minutes for Palmyra Missionary Baptist Church show it to be the mother church of Magnolia. These minutes do not list each member released from Palmyra's membership. A few names are recognized by some of the present member. Some of those to leave Palmyra to organize a new church were, Mr. B. F. Long, Mr. D. J. Parker, Mr. D. D. Etheridge, Mrs. Catherine J. Clewis, Mrs. Lizenka Clewis Long, Mr. and Mrs. R. B. Etheridge and Elizer Rhodes. Most of the membership today is still made up of the descendants of these people. Deacons now serving on the board of deacons are Paul J. Clewis, Chairman, son of Deacon J. P. Clewis deceased, son of charter member Sister Catherine J. Clewis, M. B. Long, grandson of charter member Bro. B. F. Long and Hubert J. Etheridge, son of charter member D. D. Etheridge. Charter member B. F. Long is also the grandfather of Rev. Garland Long. Charter member Deacon, H. L. Long is the grandfather of Rev. R. L. Cumbee.

Records do not show where the first church was housed.

Magnolia joined the Cape Fear Columbus Association in 1913. The first messengers were, Bro. D. J. Parker, Bro. Bryant F. Long and Bro. D. D. Etheridge. The first church clerk was Bro. J. P. (Pink) Rhodes. The first Sunday School Director was Bro. D. J. Parker. We do not know who the first pastor was. The oldest church records were burned when the home of Bro. J. P. Rhodes burned. The first church building was built in 1918 according to the records of the association.

Things went along well and the church grew and prospered with the help of the Almighty. In 1930 the church building was destroyed by a storm. Bro. J. B. Cumbee offered the gift of land to rebuild the church on. In conference in the summer of 1930 the church voted to accept Bro. Cumbee's offer and move the church to a more central location on this land. This is our present location. This caused a division of the members and some left and formed another church that is still in our community "Macedonia".

In conference November 15, 1933 Bro. M. J. Long was received into the church as a deacon. In 1939 the church began having weekly prayer meetings.

In 1930 Rev. W. V. Simmons was the pastor of Magnolia. According to records he baptized 21 persons that year. The church seemed to be a spirit

filled congregation. God was truly blessing. Magnolia has had many pastors and most were very good leaders. There seems to be a very special place in our hearts for Rev. W. V. Simmons. In his years with us he baptized more new converts than any other pastor. In 1949 he baptized 27 new converts. Preacher Vance as he was called served a total of 12 years as our pastor. In 1948 it was decided that we would build new classrooms.

Magnolia has had it's share of ups and downs with the devil but God has always won. We have gained and lost members thru the years by letter and we have had numerous exclusions.

Our largest Sunday School ever was the years 1949-1951 when Bro. R. L. Cumbee was the director. In those years our enrollment for Sunday School was 150 and attendance of around 100 or more in the weekly Sunday School. In August 1950 the church voted to ordain Bro. Roscoe Etheridge as a deacon. He was ordained September 1950. In April 1950 the church voted to license Bro. R. L. Cumbee to the ministry of the gospel. An ordination service was conducted May 26, 1950. The examining committee were, Bro. M. M. Jones, Rev. W. V. Simmons, Rev. Anson Smith and deacons of Magnolia Baptist Church, Deacon, H. L. Long, Deacon S. A. Long, Deacon, J. P. Clewis, and Deacon Roscoe Etheridge. In September 1951 Bro. Paul J. Clewis was appointed deacon of Magnolia Missionary Baptist Church. He was ordained November 1951. In Nov. 1952 the church voted to license Bro. Garland Long to the ministry of the gospel. He was ordained October 28, 1956. No records show the examining committee. In April 1953 the church appointed Bro. H. H. Cumbee (Jack) deacon of Magnolia Missionary Baptist Church. He was ordained the same year.

Things went along well and the state of the church was, "All is well". In December 1961 the church granted Bro. Pink McKeithan his license to preach. On December 12, 1962 a committee examined and ordained Rev. McKeithan to the Missionary Baptist ministry of the gospel. In August 1963 Br. Joseph Long was appointed deacon of the Magnolia Missionary Baptist Church. He was ordained Feb. 23, 1964. In August 1967 Bro. M. B. Long was set aside as a deacon. He was ordained January 1968. Bro. Hubert J. Etheridge was ordained a deacon September 1968.

In October 1960 a finance committee for building of a new church was appointed. Committee members were, Deacon, H. H. Cumbee, Bro. Horace Long, Bro. Edmund Clewis, Sis. Carolyn Clewis and Sis. Virginia Clewis. Things moved along slowly but finally in 1966 construction of the new church began. July 23, 1967 our first service was held in the new church. Incomplete we used it and worked along to finish it. In 1968 the floors were tiled and work on the church kept moving along. In 1967 our new furniture was delivered. Spring of 1977 saw central air conditioning and heat installed. Summer of 1977 the church was carpeted. During the summer of 1979 the class rooms were paneled and that completed the church. October 1, 1979 the drapes were installed for the front stage. We did it all without borrowing money. It just took a lot of faith and trust in God. We owe no money on our church property. We have come a long way since that beginning in 1912. God has blessed in every way and we are a grateful people.

The following is a list of Magnolia's pastors:

We pray that in the future God will continue to bless Magnolia and that as Christians each member will be a shining light to the world and good dedicated workers for God's cause.

History Of
Jones Street Missionary Baptist Church

The present sanctuary of Jones Street Church was built in the early 1950's, by a group of people of faith other than Missionary Baptist.

This tabernacle style building was secured from a private citizen, by Rev. E. D. Gaskins, Erusie Gaskins and W. M. Hardee.

By request the Executive Committee of the Dock Association met at Jones Street Baptist Mission, Sunday, April 27, 1958 at three P. M. This council proceeded in behalf of several petitioners and all who should come as charter members, to organize Jones Street Missionary Baptist Church.

Under council supervision, the Church elected the following officers: Rev. E. D. Gaskins, Moderator Pro Tem, Erusie Gaskins, Clerk and W. M. Hardee, Deacon and Treasurer. These were elected trustees.

After declaring the above to be duly and regularly organized Orthodox Missionary Baptist Church, the council adjourned.

Immediately flooring was installed, rooms were added and adjoining land purchased. Membership was obtained in the Dock association and Central Union. Rev. R. L. Cumbee accepted the pastorate.

On April 5th, 1959, Jones Street's first baptismal was held in Waccamaw River at Red Bluff, S. C.

Records show that attendance was good and the church membership grew steadily.

Jones Street bought a bus and transported people to church for a time. In 1969 the old windows were replaced with stained glass ones.

In November of 1972, Rev. E. D. Gaskins resigned as pastor due to poor health. The Church went full time with Rev. Haskell Sides as pastor.

We find that in 1973 and 1979, Sunday Services were called off because of snowfall.

Jones Street always took an active stand against the sale of alchoholic beverages.

In 1973, electric cooling and heating was installed, in place of the gas heaters.

A Brotherhood and W. M. U. were formed in 1975. More land has been purchased and a vestibule has been added. A yearly Homecoming Day has been set. Jones Street has joined the Waccamaw Singing Convention and the Missionary Institute Anniversary.

Jones Street licensed Chuck Rackley to preach in 1978.

A search is on at the present to get a pastor. The fellowship hall is being enlarged. The present membership is 85.

REPORTS

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED REPORT TO THE ASSOCIATIONS 1980

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administration staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really cares for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of his people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine family services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville, and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and to provide service to young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

CHRISTIAN HIGHER EDUCATION REPORT
Annual Associational Meetings, 1980

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to service God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love

and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operated out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state, and nation.

We thank you for your support of the colleges. we request your earnest prayers for each of them.

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS 1980

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only $.07 a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptist and the *Recorder* has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the *Recorder* informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the *Recorder* was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the *Recorder* run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place—and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the *Recorder* are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strange case for sending the *Recorder* to every church family. See that your church makes this move in the coming year.

REPORT TO THE ASSOCIATIONS
NORTH CAROLINA BAPTIST HOSPITAL
1980

During the past year, our hospital has again received accreditation for the maximum period, two years, by the joint commission on accreditation of hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities, and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lungs. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative date and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Alan Gore

EXECUTIVE PROMOTION COMMITTEE REPORT

The Executive Promotion Committee of Dock Missionary Baptist Association met on their regular schedule with average attendance better than 56%. Meeting days were arranged to clean up the Associational lot.

By request of board members, clerk mailed letters to churches that did not send enough money for the minutes and asked for difference.

Invitation was extended to all Pastors to attend Board members meetings to help convey to their churches the necessity of cooperation in the building program and all associational work.

Brother Leba Singletary was appointed to fill unexpired term of Rev. Mark Gaskins, as Representative of Baptist Homes for Aging.

In June meeting, Bro. C. W. Formyduval and Rev. Grover Faulk were added to the Constitution Standing Committee.

In each meeting, chairman brought information about the building site and building itself. The site is now cleared, foundation set up, blocks laid, dirt is now being moved in, and the floor will be poured.

We have come a long way this past year. Maybe not as fast as we would have liked, but slowly but surely, we are making progress.

We thank you all for your help, cooperation and most of all for your prayers.

We would remind you — this is only just the beginning-we hope you will continue to respond in a great way. Let's enjoy this program together.

Respectfully submitted,

W M U REPORT

The WMU members of the Dock Baptist Association has been inspired during the 1979-80 Associational year as a result of special emphasis on "Life Changing Commitments." Because of this emphasis our members have come to realize that to find God's purpose for our lives requires changes in our lifestyle. In making such changes, we have to examine our priorities in the use of our time and talent, assess our strengths and weaknesses with the interest of putting our strengths fully into God's service and seeking those gifts such as faith, vision, enthusiasm, perserverence, and willingness to recognize God's will in our lives.

Through the support and cooperation of the various churches, the WMU program was blessed with a successful year. For this, we give thanks to God and to those individuals who gave of their time and talent toward our missions efforts.

The graded series for Foreign Missions entitled, "Baptist Trade Winds," of the Carribbean and Home Missions entitled, "Just Folks", of the North Central State were taught by Rev. Robert Gaskins. These sessions were held at Happy Home Baptist Church and Seven Creeks Baptist Church, respectively. Following this series of studies each church observed, "the week of prayer" and participated in the Lottie Moon Christmas Offering, the Annie Armstrong Easter Offering, and N.C. Missions offering. We are pleased to report these offerings were substantially increased.

In May, 1980, the series, "The Dynamic Woman I Am", entitled "Decision Making with God", was taught by Mrs. Lottie Ludlum. This study was held at Dulah Baptist Church and was most inspirational to those in attendance.

Our WMU annual meeting was held April 9, 1980 at New Britain Baptist Church. Life Changing Commitments, was the theme for the meeting. The speaker for the meeting was Mrs. Troy (Marjorie) Bennett, home and church worker in Lusaka, Zambia, where her husband is principal of the Baptist Theological Seminary of Zambia. She is also a teacher at the seminary. Mrs. Bennett's presentation was inspiring and provided insight regarding the mission work in Zambia. Included as part of the program was special music by the Happy Home Church Choir.

We are pleased to announce that two new Baptist Women organizations were organized during this associational year. They are Myrtle Head and Seven Creeks Baptist Churches. This brings our total number of Baptist Women Organizations to eleven, our Girls in Action and one Acteens in our Association.

Our Association was represented at the State WMU Annual meeting by three of our members.

In September, three of our council members received leadership training through their attendance, at the WMU State Workshop at Mundo Vista. These members will lead Associational training sessions for WMU Directors, Baptist Women Presidents, Girls in Action and Acteen leaders, during the forthcoming Associational year.

As we look forward to the New Year, we solicit your continued support. If the WMU Associational Council can be of any assistance to your church, please

contact us. It is our desire that the Dock Baptist Association continue to progress in Christian missions.

COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1981, we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Let every church in the **Dock** Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

STEWARDSHIP DEVELOPMENT

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving.

The Stewardship Commission of the Southern Baptist Convention provides leadership, practical aids, and biblically-based materials for assisting churches in developing the individuals Christian stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

The local church will want to provide year-round stewardship development activities for its members. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available through the Stewardship Commission to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), mission, budget development and promotion, and accounting (proper handling of the church's money).

WE RECOMMEND

1. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
2. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.
5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.
6. That the Association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

SUNDAY SCHOOL REPORT

Looking back over the last half of the associational year brings joy to my heart. I do not believe anyone could have been given a better reception from all the churches than I received.

I visited all eighteen churches in the Association and was always given the opportunity to speak what was upon my heart. It has been an experience that I will always cherish.

I have read over several Sunday School reports and have come up with the same answer every time. We need to take the responsibility of witnessing to our neighbors across the street or down the road and explain how important it is for them to rear their children in Sunday School. It is the responsibility of us parents as Christians to carry our children to church and train them as we should. There are many kinds of material that the Sunday School department offers that will help us train our children.

One other thing that I stressed was that the church select teachers that are the most God fearing, qualified teachers that the church has to offer.

May we take a closer look at our own life and our responsibility to God and the church.

Leon Ward, Jr.

HISTORY OF NEW LIFE BAPTIST CHURCH
Tabor City, North Carolina

New Life Baptist Church began as a Sunday School organized by a few of the people in the community. New Life Baptist Church is located approximately three miles east of Tabor City, North Carolina.

The church originated as a Sunday School held in the New Life District School building. The building was owned by Mr. Olin Watts. Mr. Julius Simmons and his wife, Clara, from Mt. Tabor Baptist Church are believed to have been the first leaders in the Sunday School. The attendance was mostly by the young people in the community. The first Superintendent of New Life Sunday School is said to have been Mr. Lorenza Fowler; the first Secretary was Mr. Teenie Fipps. Mr. Fowler was the only one who would lead in public prayer. As time progressed some people from Mt. Tabor Baptist Church attended the New Life Sunday School and liked it so well that it was decided to organize a church from the Sunday School. There had to be at least 12 male members in order to organize a church. From talking to older folks in the community, it is gathered that there was a meeting held in order to seek volunteer males for the purpose of organizing a church. Faith of our forefathers came through and New Life Baptist Church was organized in 1916.

Among the first organizers of the church were: Charles Fowler, Retha Fowler Stephens, W. H. (Hampton) Stephens, Florence Fowler Fipps, Charlie Fipps, Hosea Mills, Louisia Mills, Edward Mills, Annie Mills, Egbert Mills, Osro Mills, Sam Mills, Lucy Mills, Heelon Watts, Dollie Fipps, Jacob Simmons, Elmira Simmons, Lorenza Fowler, Mary Fowler, Nancy Fowler, June Fowler, Lizzie Fowler, Nellie Mills, Blain Fipps, Clemme Fipps, Jillie Watts, and most definitely there were others whose names could not be recalled.

Church services were held in the school building for sometime. Rev. T. H. Patterson from Loris, S.C. was the first pastor for the newly organized church.

As time progressed and growing physically and spiritually, the folks of the early church decided to build a new church building. The land was donated by Edward Mills as long as it was used for the purpose of the church. This land was located about 500 feet and in seeing-eye distance of the school building and is the sight of the present church. At this time in history money was scarce. Some folks donated lumber, some donated their labor, and others who could afford it donated money. Some of the men hewed cypress shingles out of a swamp in South Carolina for the new church. The early 20's is believed to have been the time of relocation from the school building to the new one room church building which is the present auditorium. Almost everyone walked to church or rode a horse-drawn buggy. Once there they read by kerosene lamps and heated by a pot-bellied wood heater in the center of the room. There were two doors in the front of the church then. Three rows of seats formed two aisles. The folks of the church did the janitorial work themselves. The jobs were limited-like building fires, lighting the lamps and sweeping the church. The Sunday School rooms were curtained off in three corners in the one room. The "amen" corner was not covered and was used for the men's adult class. The church remained unpainted until the early 30's. From old records, the attendance was from about what was on roll in the Sunday School. Offerings were as low as $3.00 per Sunday out of a 50 or 60 some odd attendance. The treasury was often as low as $6.00 after expense for literature and kerosene was taken out.

Through the graciousness of Mrs. Lonie Stephens, New Life was loaned a pedal organ played by her and Mrs. Nellie Watts, until another instrument could be secured.

Church membership grew. Many were added by baptisms, some were dismissed by letter and some received by letter. By the early 20's the church was an established and loved landmark in the community. By now the church had eight officers including teachers with Rev. T. H. Patterson still pastor. There

was one preaching Sunday in the month. Conferences were held, delegates were sent to the unions, and associations and church discipline dealt with in a brotherly manner.

Under the leadership of Rev. T. H. Patterson from 1916-1921, New Life prospered as well as any church in the area. Rev. J. K. Todd was called to pastor the church in 1922. He remained one year afterwhich Rev. B. G. Whitley was called for the pastor from 1923-1924. None of the pastors lived in the community.

In the very early church the deacons were: Hampton Stephens, Edward Mills and Jacob Simmons.

Rev. W. A. Williams, Hand, South Carolina, pastored New Life in 1925 and '26. There was no record for the pastor in 1927. In 1928-1932 Rev. J. R. Carter, Hammond, S.C. was called for New Life's preacher. Rev. T. H. Patterson was again called for a pastor in 1933. Between the years 1934 and 1940 Rev. S. A. Hatley, Tabor City, was pastor.

1939 is believed to have been the year that the church first got electricity. This was from the REA. Modernization seemed to sweep the country and by this time the community was beginning to grow, therefore the church grew. To keep up the modern trend, the church had to have a piano. Mrs. Doris Mills, who was to become the pianist, along with Mrs. Retha Stephens set out to find a piano. They soon found a second handed one in Whiteville and proudly made the transaction for the church. Money still was not plentiful so the ladies set out in the community to ask for donations to pay for the prized instrument.

Rev. Mack Gore became pastor of the church in 1941. There were no records for 1942 as to the pastor, but it is believed that Rev. Gore was still pastor in that he was in 1943. Even though electricity had been enjoyed for a few years, the church still was heated by wood.

There were no records available for 1944-45. Rev. Vance Simmons was called to be New Life's pastor in 1946-1947. Up through these years the discipline of the church was handled in an orderly, brotherly manner. Members were frequently called down for non attendance. During the time Rev. Simmons was pastor the church was moved back from the road for a frontage.

By 1947 church membership had grown from 50 in 1917 to 111. The yearly pastor's salary had increased from $69.00 in 1917 to $182.75 in 1947.

We might insert that concerning the deacons in the early 40's there were W. H. Stephens, Asberry Fowler, and J. N. Barnes.

Under the leadership of Rev. Vance Simmons, the church built their first addition. There were two classrooms or wings added—one on each side and two rooms added to the back behind the pulpit. Up until now the church was still heated by wood. After the new addition, space gas heaters were used. Even with the new rooms, there was a need for two curtained classrooms in the auditorium. The church had six classrooms even that far back in history.

In November, 1950 New Life was granted a letter of dismission from the Carolina Association to join the Dock Association.

In 1955 a resolution was made by New Life not to allow anyone other than a missionary Baptist minister to preach in the church. Preachers of other beliefs were welcome to worship but not to preach.

Rev. Clyde Prince, under the leadership of the Holy Spirit, resigned the pastoral work at New Life Baptist Church. His resignation was to be completed the second Sunday in October 1959. A committee made up of Bros. W. H.

Stephens, Lester Watts, Asberry Fowler, Ralph Jolly, Harry Stephens, and Carol Watts was appointed to investigate and present names of prospective pastors for approval or disapproval of the church. The name was to be presented two weeks after March 15, 1959. The committee reported that they had discussed pastorship with Rev. Crowell Powell, Nakina subject to approval of the church. It was unanimously voted "yes" for Rev. Powell. Rev. Powell started in the latter weeks of October 1959.

Prayer meetings were held on Thursday nights. Conferences were changed to quarterly in 1960.

The year 1969 proved to be a big year for the church. Vacation Bible School began in 1969. It was a tremendous success. Brother George Smith was the school's first principal.

Another building committee was elected in November, 1969. This was to build the new right hand addition where one of the first wings was added. This new structure had five classrooms, with three being together to form one long room as needed for a fellowship room. Also in this new part were two bathrooms and a storage closet. The new spacious wing was completed in 1970.

Through the years New Life Baptist Church has ordained several pastors. Rev. Crowell Powell has been the pastor for twenty-one years and through his leadership, the church has steadily increased in membership and spirit. The spirit of the Lord still dwells and the Lord Jesus Christ still is the foundation.

HISTORY OF CAMP BRANCH MISSIONARY BAPTIST CHURCH

The year Camp Branch Missionary Baptist Church was founded is unknown. We have found through our old records and the oldest members of our community that it was about the 1800's. The first church was a log cabin and was called Green Swamp Union Baptist located at Scotts Bee Yard. This was the first church in this area. The name was changed to Camp Branch after the Civil War because of an old army camp on the edge of the branch about where our second church was built. The church was used as a schoolhouse also. Some of the teachers were Mrs. Olive Tripp Stanley, Mr. Jesse P. Little, Mr. Woody Hewett and Mr. Lewis Ludlum.

In 1922 we had eighty-two members on our church roll. Preacher Vance Simmons was our Pastor. Brothers Solomon Little, Carson Little, Nathan Little and E. M. Little were the deacons of the church.

In 1925 a building committee was made up of Brothers E. M. Little and Carson Little. Our third church was built behind the one we are in today. In January of 1930, Brother Quincy Little was ordained deacon. In 1931 Brother E. M. Little was licensed to preach the gospel. Old Satan fought us hard; by 1932 we had only fifty-nine members on our church roll. We lost our members through exclusion, dismission and death.

In 1950 our records show where the church that we are in today was built. Preacher Vance Simmons sawed the lumber for our church. Brothers E. M. Little, Quincy Little, and J. B. Little were on the building committee. In October of 1959, Brothers Jesse P. Little, Lofton Little and Crandell McKeithan were ordained deacons. By this time a lot of our members had married and their jobs required them to move away. In the 1960's there weren't

but a few of the oldest members left. We were often asked why we didn't dissolve our little church. It was the true dedication of these few Christians that kept us going. On several occasions we had to call on the Co-operative Program for help. We thank God so much for their concerned help.

In March 1967, the church ordained Rev. Dock Rabon of Aynor, S.C. and he became our pastor. In the 1970's, our church began to prosper again. The church ordained Rev. Jack Martin of Aynor, S.C. in October 1972. Rev. Martin was our pastor for two years. In May 1973 we built our shelter. In October 1973 the church ordained Rev. Floyd Parker and he became our pastor for three years. In July 1974, Rev. Parker helped us panel our church. Our Lord continued to richly bless us and in May of 1978 we did some major repair on our church. It seems that in 1979 our Lord opened the windows of heaven on us. In February, we put our well down and in October we added a classroom and bathrooms. We realize that it is through the Grace of our Lord Jesus Christ and the prayers of our old members that have gone on to be with our Lord that we have come this far.

In 1980 we put carpet in our church; put in more furniture and added air conditioners. But the most wonderful blessing of 1980 is that we have received fifteen new members by baptism and one by letter. We thank God for pastor, Rev. Garland Long, who has so richly blessed us through his preaching the word and helping us to come as far as we have. We ask that all Christians pray that we will continue to grow and prosper in our work for our Lord Jesus Christ. We have a lot more work we want to do on our little church.
